Higgins Belden and Co's Illustrated Historical Atlas of St. Joseph County, first published in 1875, is being reprinted and offered for sale under the sponsorship of the Northern Indiana Historical Society.

In addition to being an atlas the book is also a source of biography, history and early prints of the county. You may order a copy now at the pre-publication price of \$10.00 until May 15, 1972, after which time the price will be \$12.50. (All prices plus 2% Indiana sales tax.)

Bound in buckram, this is a photo-reproduction 3/4 the size of the original book, complete in every detail of its 105 pages. It contains information valuable to churches, libraries, schools, homes, genealogists, businessmen, scholars, and many other groups and individuals.

Books may be picked up at the Museum in May 1972; the exact date will be announced in the newspapers. Books purchased outside the South Bend-Mishawaka area will be mailed directly from the publisher.

So don't lay this order blank aside. Fill it out and mail it today. This is a limited edition, and to insure a copy for yourself and your loved ones, it is imperative that you get your order in immediately. It would make a good graduation gift. Although delivery---- gift certificates?

Mr. Francis Czyzewski  
So. Bend, Ind.

STANLEY, WOULD YOU PLEASE MAKE  
A CORRECTION IN THE BURIAL RECORDS?  
Frank C. yzewski...

I was much interested in your article about the "City Cemetery's Dead" in the Tribune of Sept. 3.

I note that you state that Peter Roof, age 76, buried May 1, 1864 is marked with red ink in the Cemetery records as the "oldest grave." Whocous placed that statement there was in error, and placed it ~~in the record of the wrong~~ Peter Roof.

My records of veterans in City Cemetery show the following:

Peter Roof, Revolutionary War veteran, born 1753, died October 25, 1831, age 78

Peter Roof, War of 1812, born Feb. 14, 1788, died May 1, 1864, age 76

My records show Peter Roof, Sr. and Isaac Ross as the two Revolutionary War Soldiers buried in the City Cemetery.

Other Revolutionary War Soldiers  
buried in St. Joseph County were

Freight Chamberlain - Mt Pleasant Cem.

Frederick Druliner and James  
Ranstead - Hamilton Cemetery, and  
David Thompson - Olive Chapel Cem.

I take this opportunity to  
tell you how much I enjoy your  
Sunday articles about planets, stars,  
etc. I never fail to read them.

Sincerely yours  
Erwin S. Morse
